

Havis Tablet Mount for Microsoft Surface

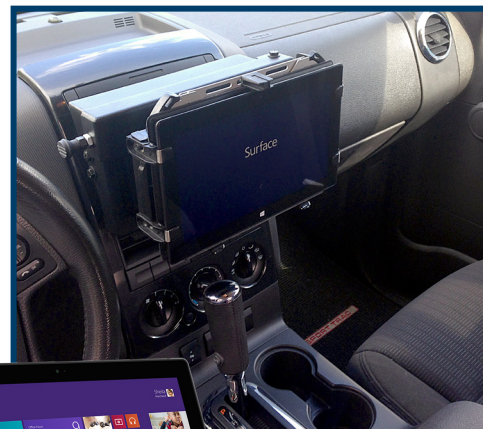

Part #: UT-201

Joining a growing line of tablet mounting solutions, Havis is excited to offer the UT-200 series of Tablet Mounts for the Microsoft Surface and Surface Pro. Designed with versatility in mind, Havis mounting options allow for tablet docking and usage in a variety of work environments.

Engineered with lightweight aluminum and composite materials, the Havis Tablet Mount for the Microsoft Surface maximizes strength and minimizes weight. When paired with your choice of Havis mounting and motion accessories, the new Tablet Mount for the Microsoft Surface can be used comfortably in your home, at work or in your mobile office.

The combination of comfort, safety and quality in this rugged tablet mount makes it the clear choice.

Contact sales@havis.com to inquire about product availability and how to improve productivity with a mount that has been designed with theft deterrence, longevity and stability in mind.
